The Audi Q5 and new SQ5

Pricing and Specification Guide

Valid from January 2013

Personalising your Audi Q5

This guide has been designed to help you tailor and price your Audi Q5 quickly and logically. At the back, you will find information on CO_2 emissions-based taxation and the other services offered by Audi, including Finance and Insurance. You can also configure your Audi Q5 online at audi.co.uk.

You might also like to consider Audi Complete: a simple way to take care of servicing and maintenance costs for your Audi in a single package. You pay a one-off or monthly fee and we'll cover all your servicing, maintenance and tyres for the next three years, including your first MOT. It means you only have to pay for fuel, insurance and your Road Fund Licence. So you can be reassured that your car will be maintained by trained Audi Technicians, using genuine Audi parts.

IN Q 5105

Vorsprung durch Technik

Three words that express the very essence of Audi. Vorsprung durch Technik isn't a slogan. It's our way of seeing the world. It is the driving force behind our history of innovation that continues into the 21st century. Indeed, many technologies that Audi pioneered remain in our cars today. Some are milestones in the history of the motorcar.

From our beginnings in 1899, to the Auto Union team's Grand Prix successes in the 1930s and our more recent wins at Le Mans, we have always been at the forefront of the motor industry.

Vorsprung durch Technik makes us who we are. To see more of its influence, just read on.

The streamlined Audi Q5

The Audi Q5 isn't a typical SUV; it combines the poise and athleticism of a coupé with the practicality and space of a much larger car. It also offers the exceptional grip of quattro® all-wheel-drive, 18-inch alloy wheels and some other advanced features you might not expect. There's a choice of direct-injection TDI® and TFSI® engines, a five-link front suspension and optional S tronic® or tiptronic® transmission – ensuring that the Audi Q5 delivers all the handling and performance its coupé-like shape suggests.

IN Q 5105

Q5 interior story

We've introduced a number of finishing touches to the Audi Q5 interior to make your driving experience both comfortable and unique. You'll find an impressive attention to detail in everything from the luxurious leather seating to our optional customised stitching, which means that every journey you make will be a personal one.

Engines

Petrol

TFSI® direct-injection technology is a unique Audi innovation that includes supercharging, which combines FSI® technology with forced induction – giving cars an extra injection of power and torque. It also delivers enhanced fuel efficiency as precisely the right amount of fuel and air are injected into the combustion chambers, enabling the engine to 'breathe' more easily. It results in reduced heat loss and increased output, with around a 15% reduction in fuel consumption and significantly lower exhaust emissions.

Diesel

We introduced TDI® to the roads in 1989, marking a departure from the noisy, fuel-thirsty diesel engines of the past. And since then, we've continuously refined it, recently developing common-rail technology. With this system, a series of piezo injectors use electrical charge to precisely control the amount of fuel injected into the engine. As well as reducing noise, this allows combustion to happen at a lower temperature, with less oxygen, which lowers emissions. The recently introduced bi-turbo diesel engine in the new SQ5 is our most powerful six-cylinder diesel engine to date, capable of 313PS and an impressive combined mpg of 44.1.

Images are for illustrative purposes only

Transmissions

S tronic®

Driving is all about thinking ahead, which is just what the S tronic® dual-clutch transmission does. It works almost as two separate systems, one engaging the odd-numbered and the other the even-numbered gears. So when you're accelerating in second, it has third gear waiting for you. And once you make the switch, it's already thinking about fourth. With two clutches working together, you can change gears almost instantly while experiencing smooth, uninterrupted power.

tiptronic®

The 8-speed tiptronic transmission system reduces both fuel consumption and CO_2 emissions. It converts high-torque engine power into sporty performance and operating convenience, with crisp, fast gear changes and an optimised gear-shift strategy. More spontaneous gear changes are a particular benefit, especially when downshifting. Both in the 'D' (Drive) and 'S' (Sport) programme, the advanced electronics used in tiptronic® respond efficiently to every driver input.

Efficiency

At Audi, doing less is something we're trying to do more of. We're working to use less fuel, release less CO_2 and waste less energy. It's why we've incorporated a number of more efficient technologies into the Audi Q5.

Recuperation

When a vehicle brakes, the discs convert the kinetic energy into thermal energy, which is wasted as it cannot be used. With a recuperation system like the one in the Audi Q5, the kinetic energy is converted into useful electrical energy. The way it works is simple. While the car is coasting or braking, the alternator voltage is raised above the level of the basic electrical system, which enables the alternator to generate electrical energy and store it temporarily in the battery. When the vehicle accelerates, this energy is used to relieve the load on the alternator, resulting in a fuel saving of up to 3%.

Images are for illustrative purposes only

Aerodynamics

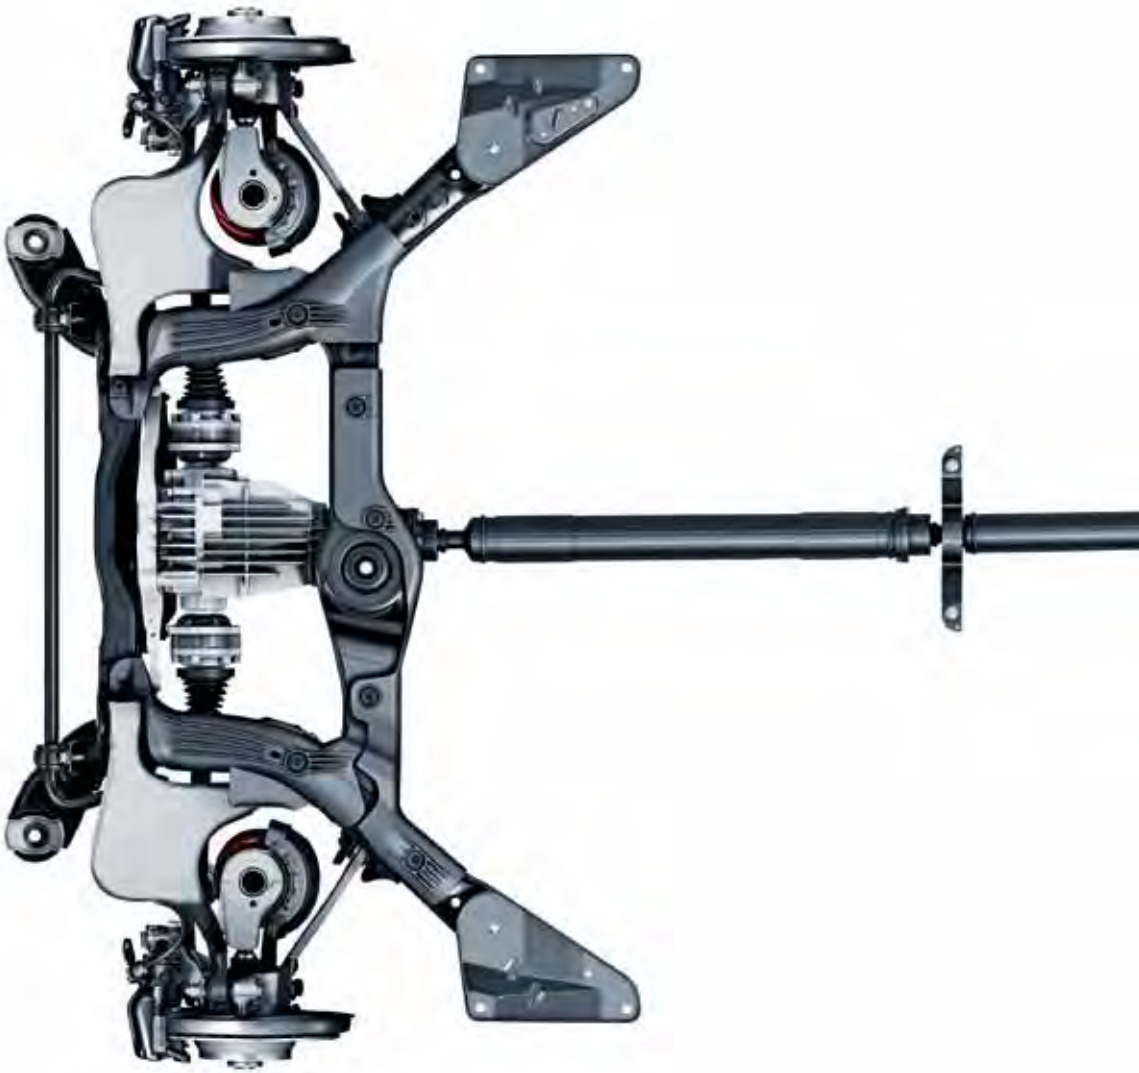
A car's shape can have a big impact on its efficiency. It's why we've worked to make the Audi Q5 as aerodynamic as possible.

Automatic Start-Stop function

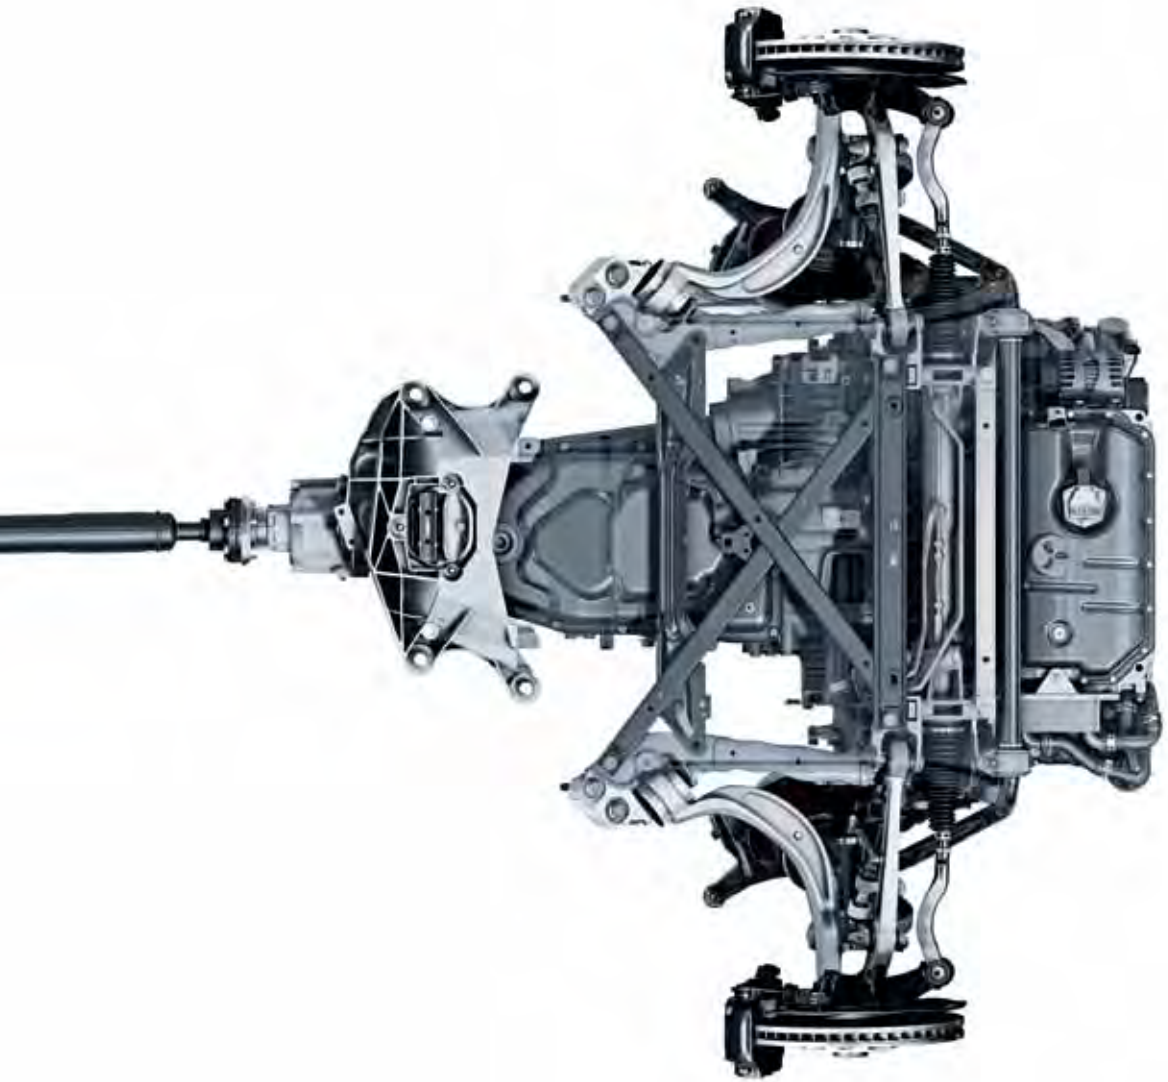
In heavy traffic, your car still uses fuel and releases CO_2, even when it's stationary. The automatic Start-Stop function counteracts this problem by switching off the engine when your car comes to a standstill. As soon as you touch the clutch, the car restarts. In conjunction with TDI® and TFSI® engines, it helps save up to 0.4 litres of fuel every 100km.

quattro®

It’s the technology that gave us the edge on the rally circuit ever since it was first introduced over 30 years ago, bringing victory for the Audi quattro on its very first outing. It’s called quattro® permanent all-wheel-drive. In this system, four permanently driven wheels deliver better acceleration, road-holding and safety, while asymmetric dynamic torque distribution intelligently controls the flow of power to the front and rear axles.



Images are for illustrative purposes only



It means that the Audi Q5 can ‘read’ the road, sensing changes in the surface beneath the wheels and adjusting their grip accordingly. So when conditions get a little more demanding – in particular, when you go off-road – quattro® adapts, putting all the force of the Audi Q5’s engine precisely where it’s needed to handle the change in terrain.

SE model equipment

All Audi Q5 models have the following items of standard equipment

Engine

Automatic Start-Stop function for greater fuel and CO_2 efficiency

Recuperation for optimal energy utilisation

Misfuelling inhibition for diesel models

Wheels, tyres and suspension

18" x 8J '10-spoke V' design alloy wheels with 235/60 R18 tyres and locking wheel bolts

Electromechanical Power Steering

Collapsible spare wheel

Audio and communication

Audi Concert radio which includes:

- Single CD drive and SDHC memory card reader which are MP3, WMA and AAC compatible
- 6.5" colour centre display with MMI operating logic
- AUX-IN connection
- TP memo – automatically saves traffic news when driving

Audi sound system – 10 high-performance loudspeakers (180 Watts) and 6-channel amplifier

Mobile Phone preparation – Bluetooth Interface

Interior equipment

4-spoke multi-function leather steering wheel (with gear-shift paddles for automatic models)

Aluminium Satellite inlays

Cruise control – maintains any speed above 18mph, provided the engine power output and engine braking effect permit it; operated via separate steering column stalk. The set speed is displayed in the Driver's Information System

Driver's Information System (DIS) in colour with energy-saving tips and rest recommendations. Shows the radio station or track title, telephone control, menu and other display information from the infotainment system such as navigation (if fitted). Also includes an on-board trip computer with short and long-term memory, outside temperature display, digital speedometer and door or boot open warning

Deluxe 3-zone climate control with separate air distribution and digital display for the driver and front passenger. System includes air-conditioning controls in rear centre console for passenger compartment

Front and rear electric windows

Front and rear floor mats

Front centre armrest including 12-Volt socket

4-spoke multi-function leather steering wheel

Deluxe 3-zone climate control

Door mirrors – electrically adjustable and heated

Halogen headlights with daytime-running lights

Safety and security

Auto-dimming rear-view mirror including acoustic windscreen

Anti-theft device – Thatcham category 1 approved

Rest recommendation system – analyses driving behaviour based on steering, pedals and gear lever movements. If the system detects a change in driving patterns it can, via audio and visual effects, notify the driver of the possible need to take a rest

Light and rain sensor – automatically switches the dipped beam headlights and windscreen wipers on/off depending on the light and rain conditions. Also includes coming home/leaving home function which delays the deactivation of the front and rear lights after locking and automatic activation of the lights when unlocking

Electromechanical parking brake includes parking brake function when stationary, drive-off assistance function through automatic release when driving away and emergency braking function whilst driving, acting on all 4 wheels

First-aid kit

Front and rear fog lights

Front and rear ISOFIX seats with airbag de-activation switch for front passenger seat

Halogen headlights with daytime-running lights

Hill descent assist (please see page 74 for further information) with off-road Electronic Stability Programme (ESP)

Front side airbags

Rear parking sensors – facilitate parking by acoustically indicating the distance to obstacles; measurement is by ultrasonic sensors integrated discreetly into the bumper

Tool kit and car jack

Warning triangle

Seats

3-point seat belt with belt-force limiters for all 5 seats

Milano leather upholstery

Split-folding rear seat

Exterior equipment

Aluminium roof rails with roof bar detection (automatically adjusts the ESP to react to the higher centre of gravity when roof bars are in place)

Aluminium window trims framing the exterior side windows

Chrome trimmed, flat-bottom design exhaust pipe – 2.0 TDI engines have single exhaust pipe on left-hand side, 2.0 TFSI, 3.0 TFSI and 3.0 TDI have one exhaust pipe on either side

Door mirrors – electrically adjustable and heated

Full body coloured bumpers

Highly polished black grille with vertical chrome struts

Rear spoiler

Roof bars and storage bag

Image shows the SE model with optional metallic paint and xenon headlights

S line model equipment

In addition to SE model equipment

Basic RRP
£2,000.00

Total RRP inc VAT
£2,400.00

Wheels, tyres and suspension

19” x 8J ‘5-spoke’ design alloy wheels with 235/55 R19 tyres and locking wheel bolts

Standard suspension (S line Sports suspension available as a no-charge option)

Seats

Front Sports seats in Fine Nappa leather with electric lumbar support (S line embossed)

Interior equipment

Black headlining

Matt-brushed aluminium inlays

S line 3-spoke leather multi-function steering wheel (with gear-shift paddles for automatic models)

S line sill plates and aluminium loading strip for the boot

Exterior equipment

Diffuser in Platinum grey

Rear LED lights

S line exterior styling package including:

– S line badges on front wings

– S line front bumper

– S line rear diffuser

– S line side skirts

– S line grille with chrome vertical bars

Xenon headlights with automatic headlight-range adjustment, headlight washers and LED daytime-running lights

19” x 8J ‘5-spoke’ design alloy wheels

Xenon headlights

Matt-brushed aluminium inlays

Rear LED lights

RRP – Recommended Retail Price. VAT is calculated at 20% but this may alter to reflect any change in the applicable VAT rate.

Image shows the S line model with optional 20” x 8.5J ‘7-double-spoke’ design polished alloy wheels (PQF) and metallic paint

S line Plus model equipment

In addition to S line model equipment

Basic RRP
£2,083.33

Total RRP inc VAT
£2,500.00*

*Valid for new vehicle orders placed up to and including 31 March 2013. Subject to availability.

Wheels, tyres and suspension

20” x 8.5J ‘5-segment-spoke’ design alloy wheels with 255/45 R20 tyres

Audio and communication

Audi Music Interface – Universal connection for use with stereo audio sources and Apple iPod generation 4 onwards. Provides storage and charging

Interior equipment

MMI Navigation system plus. Hard disk navigation with topographical map display, places of interest and town models in 3D, with high-resolution 7” colour TFT display. The system offers three alternative routes, with the ability to scroll along the selected route and manoeuvre within the map. Uses 7-digit postcode recognition. Includes split-screen mode for route information, dynamic route guidance (TMC), intersection zoom function, motorway exits and lane recommendations in Driver’s Information System (DIS). When combined with Mobile telephone preparation – High with Audi connect (9ZW), the system uses Google Earth images for navigation. Includes 2 SD card readers, single CD/DVD player, 40GB hard drive and Jukebox (20GB) for storing and managing music files in WMA and MP3 format. Includes European navigation data (where digitised)

Exterior equipment

Audi parking system plus – Acoustic and visual park-assist system for the front and rear with MMI screen display; measurement is by ultrasonic sensors concealed in the bumpers

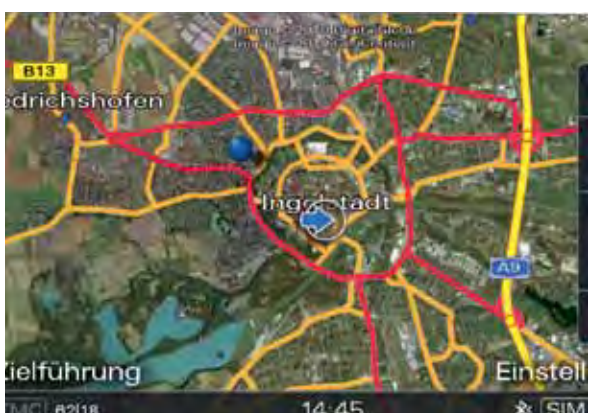
Electric tailgate

Metallic paint

Privacy glass

20” x 8.5J ‘5-segment-spoke’ design alloy wheels

Audi Music Interface



MMI Navigation system plus

RRP – Recommended Retail Price. VAT is calculated at 20% but this may alter to reflect any change in the applicable VAT rate.

Image shows the S line Plus model with optional 20” x 8.5J ‘5 double-spoke off-road’ design alloy wheels (PQ7)

SQ5 model equipment

in addition to SE model equipment

Wheels, tyres and suspension

20” x 8.5J ‘5-parallel-spoke’ design alloy wheels with 255/45 R20 tyres. Includes small wheel arch extensions

‘S’ Sports suspension

Tyre mobility kit (replacing collapsible spare wheel)

Interior equipment

LED interior light package

3-spoke ‘S’ Sports multi-function leather steering wheel with paddle shift and contrast stitching

Matt-brushed aluminium inlays

‘S’ instrument dials

Aluminium scuff plates with SQ5 logo

Seats

Electrically-adjustable front seats with SQ5 embossing. Includes adjustment for height, forwards and backwards position, backrest angle and lumbar support

Fine Nappa leather upholstery

Leather door armrests

Exterior equipment

Xenon headlights with automatic headlight-range adjustment, headlight washers and LED daytime-running lights

Rear LED lights

Aluminium-effect door mirror housings

‘S’ radiator grille with SQ5 logo

Front black painted brake callipers with ‘S’ logo

‘S’ body styling

Exhaust pipes - two oval tailpipes on left and right-hand side in chrome rolled finish

Active Sound exhaust system

SQ5 grille with horizontal double chrome struts

20” x 8.5J ‘5-parallel-spoke’ design alloy wheels

Dual oval tailpipes

Image shows the SQ5 with optional 21 x 8.5J '5-twin-spoke Star'design alloy wheels in titanium look with a high gloss finish (PQ8) and Audi exclusive customised paint finish in Ara Blue, crystal effect

IN Q 5105

Audi exclusive

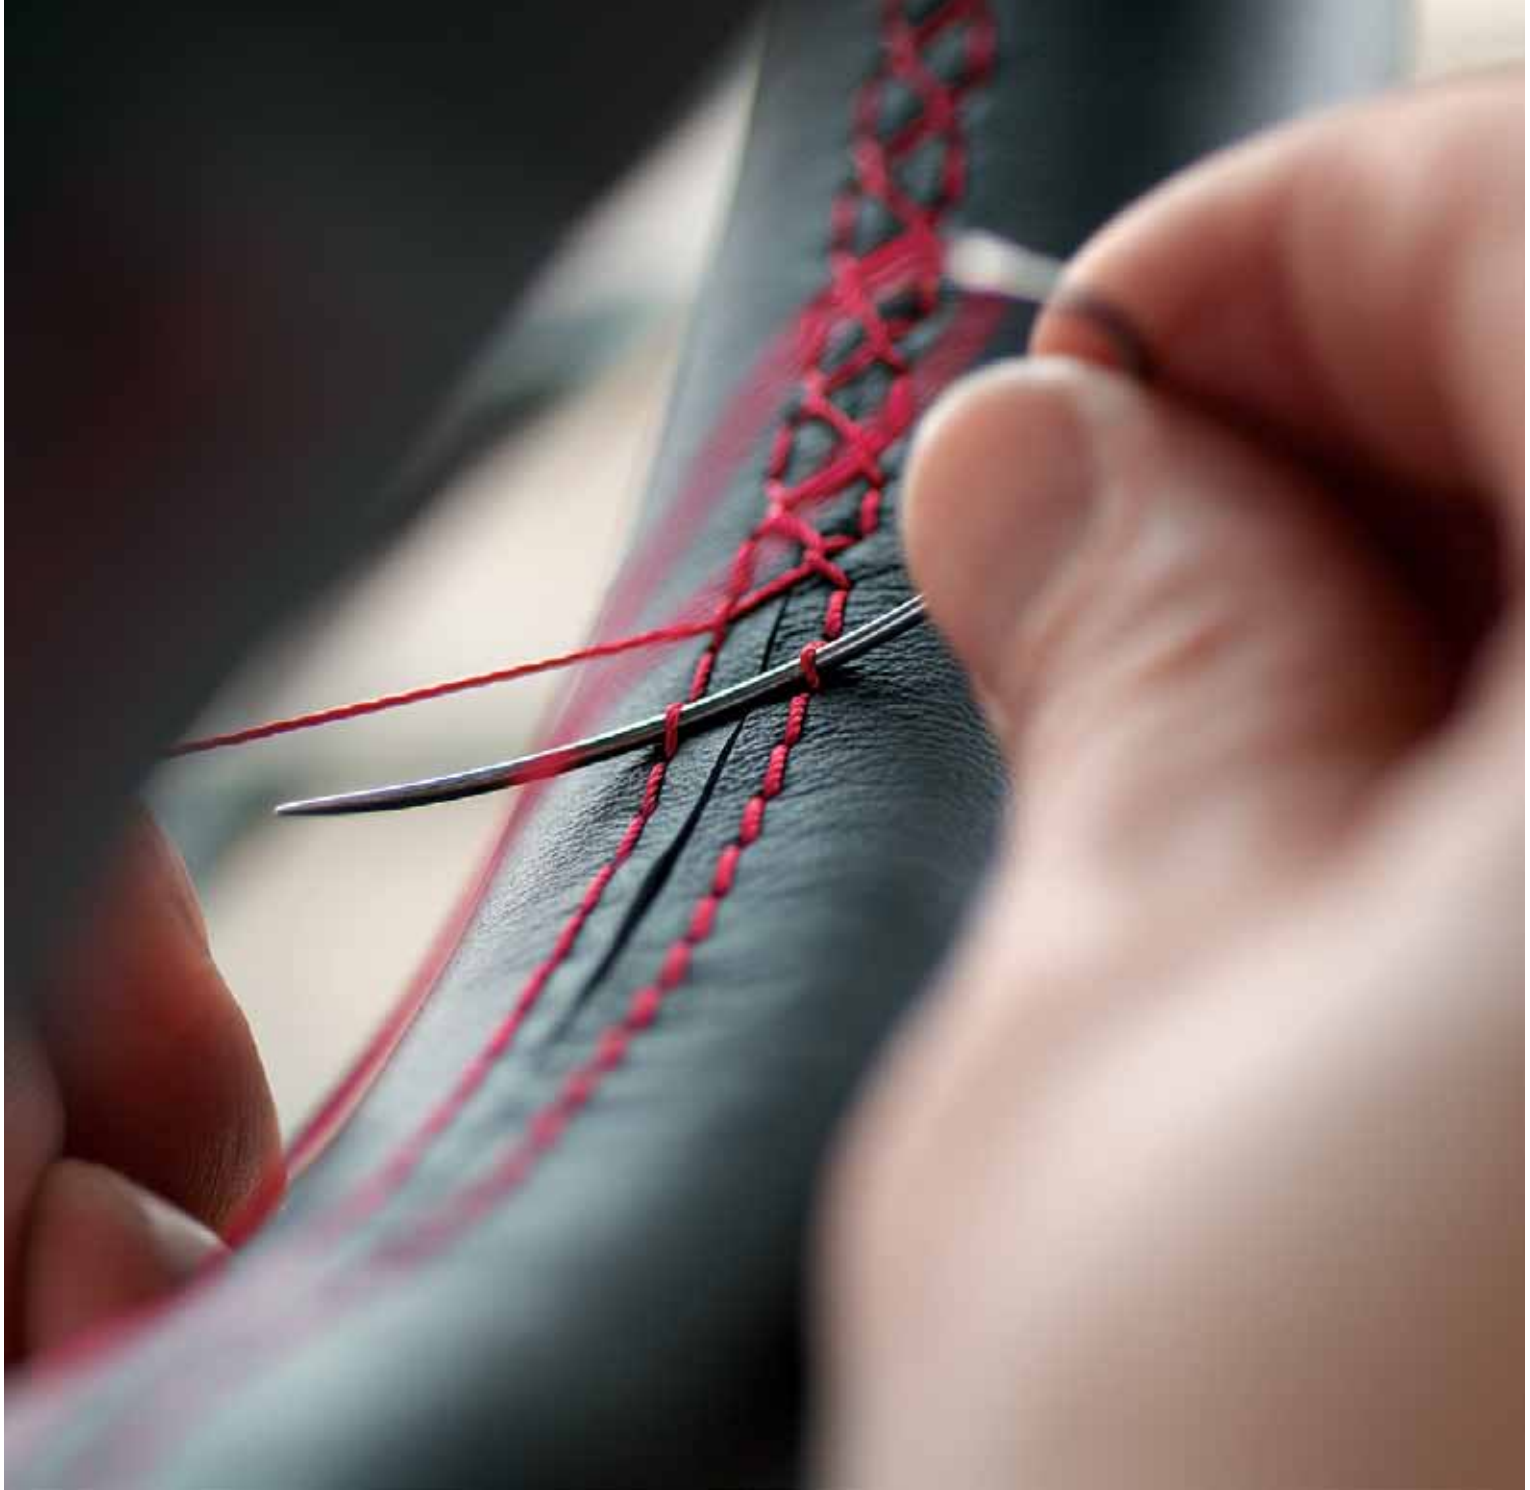
Every Audi is intrinsically exclusive. It's the breathtaking design, the exceptional engineering, the Vorsprung durch Technik. But for that special touch, you can specify your Audi Q5 with options from Audi exclusive. Whether you want a unique, custom-mixed paint colour or seats in a combination of complementary shades, Audi exclusive will enable you to drive the car you've always imagined.

Both the exclusive and standard options can be found on the following pages.

Audi exclusive line

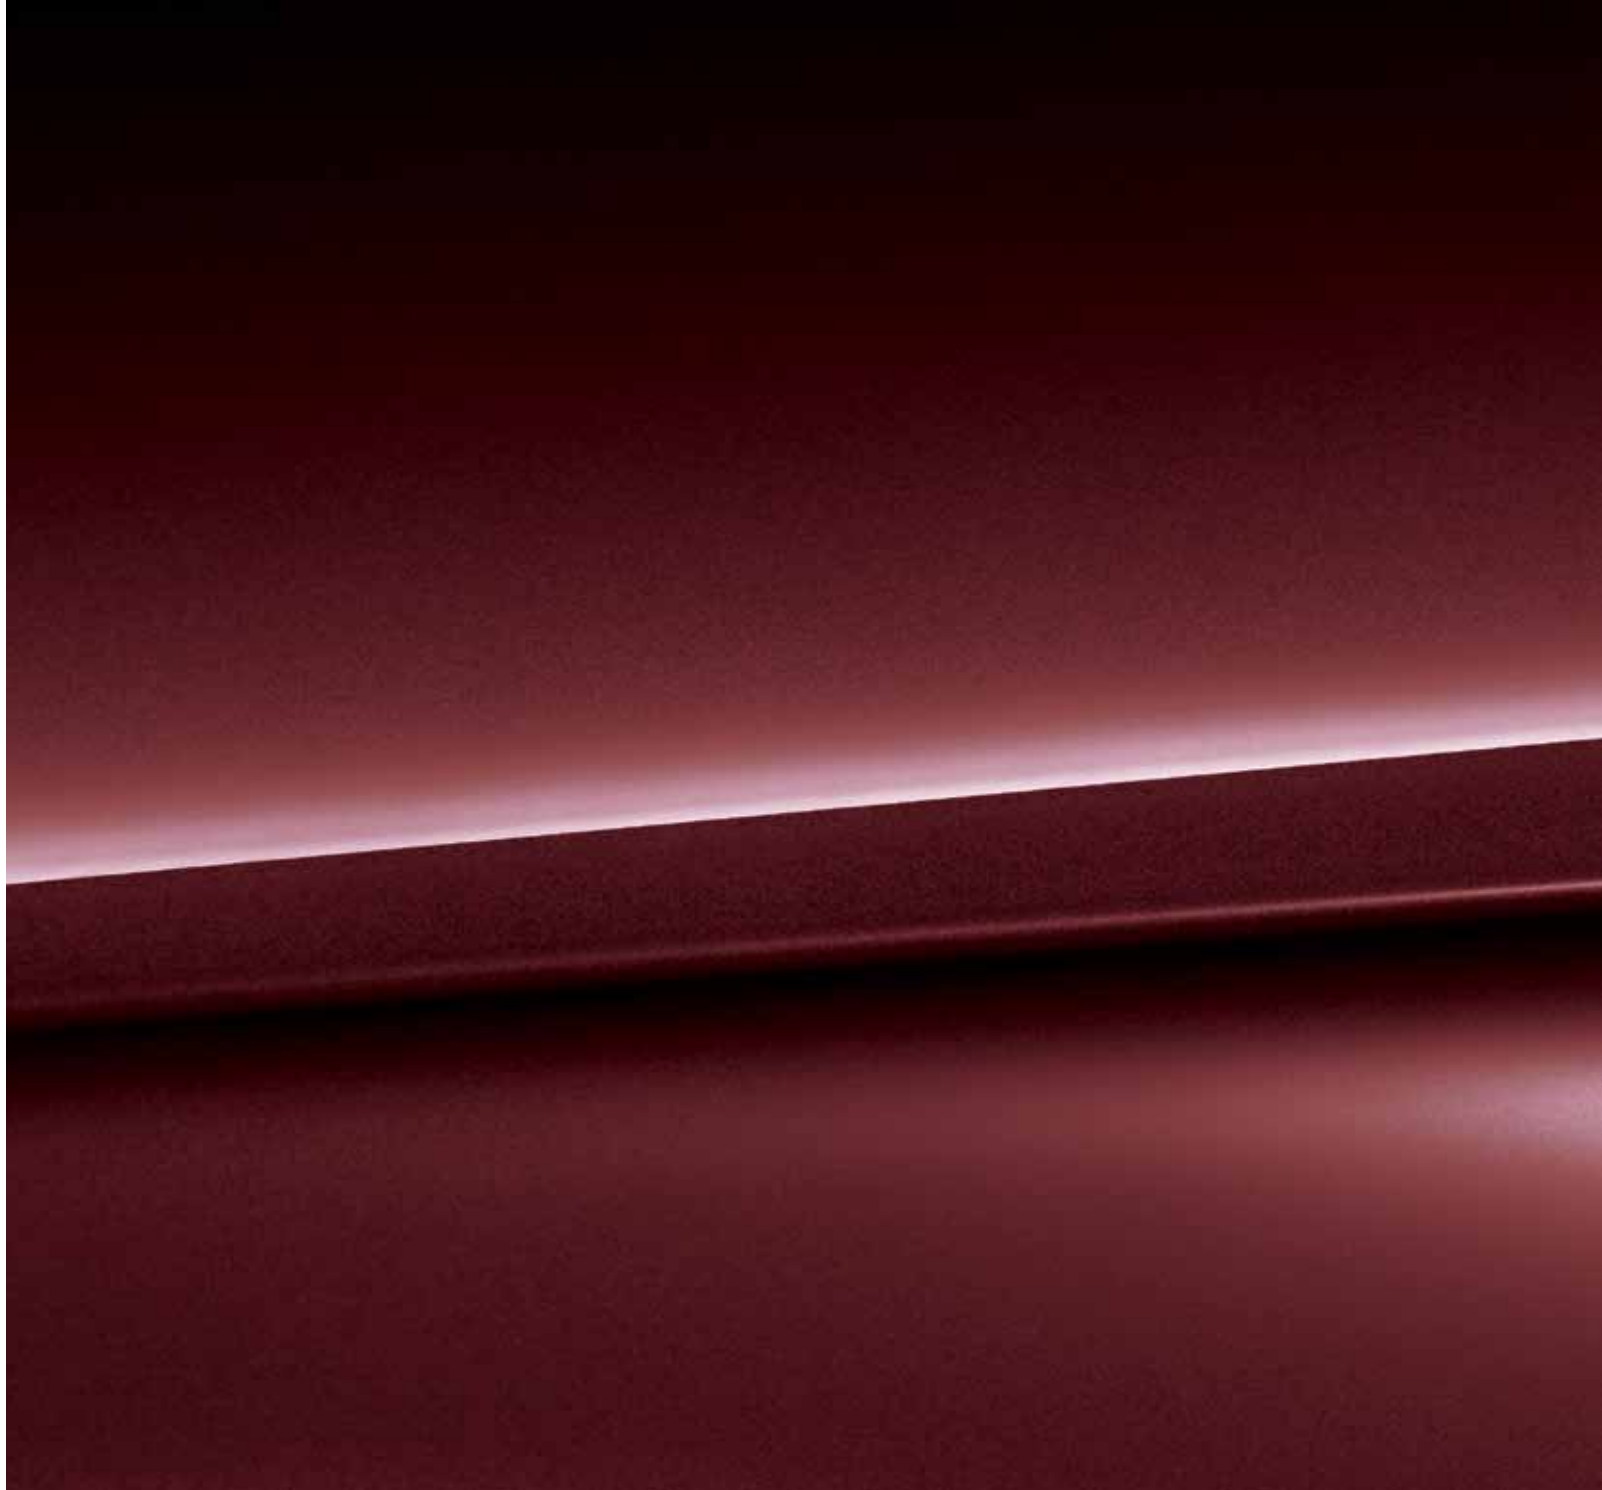
There are a number of ways to customise your car's interior with the Audi exclusive range. And if you'd like us to help you choose, we've put the most popular elements of the range together into one harmonious package – the Audi exclusive line.

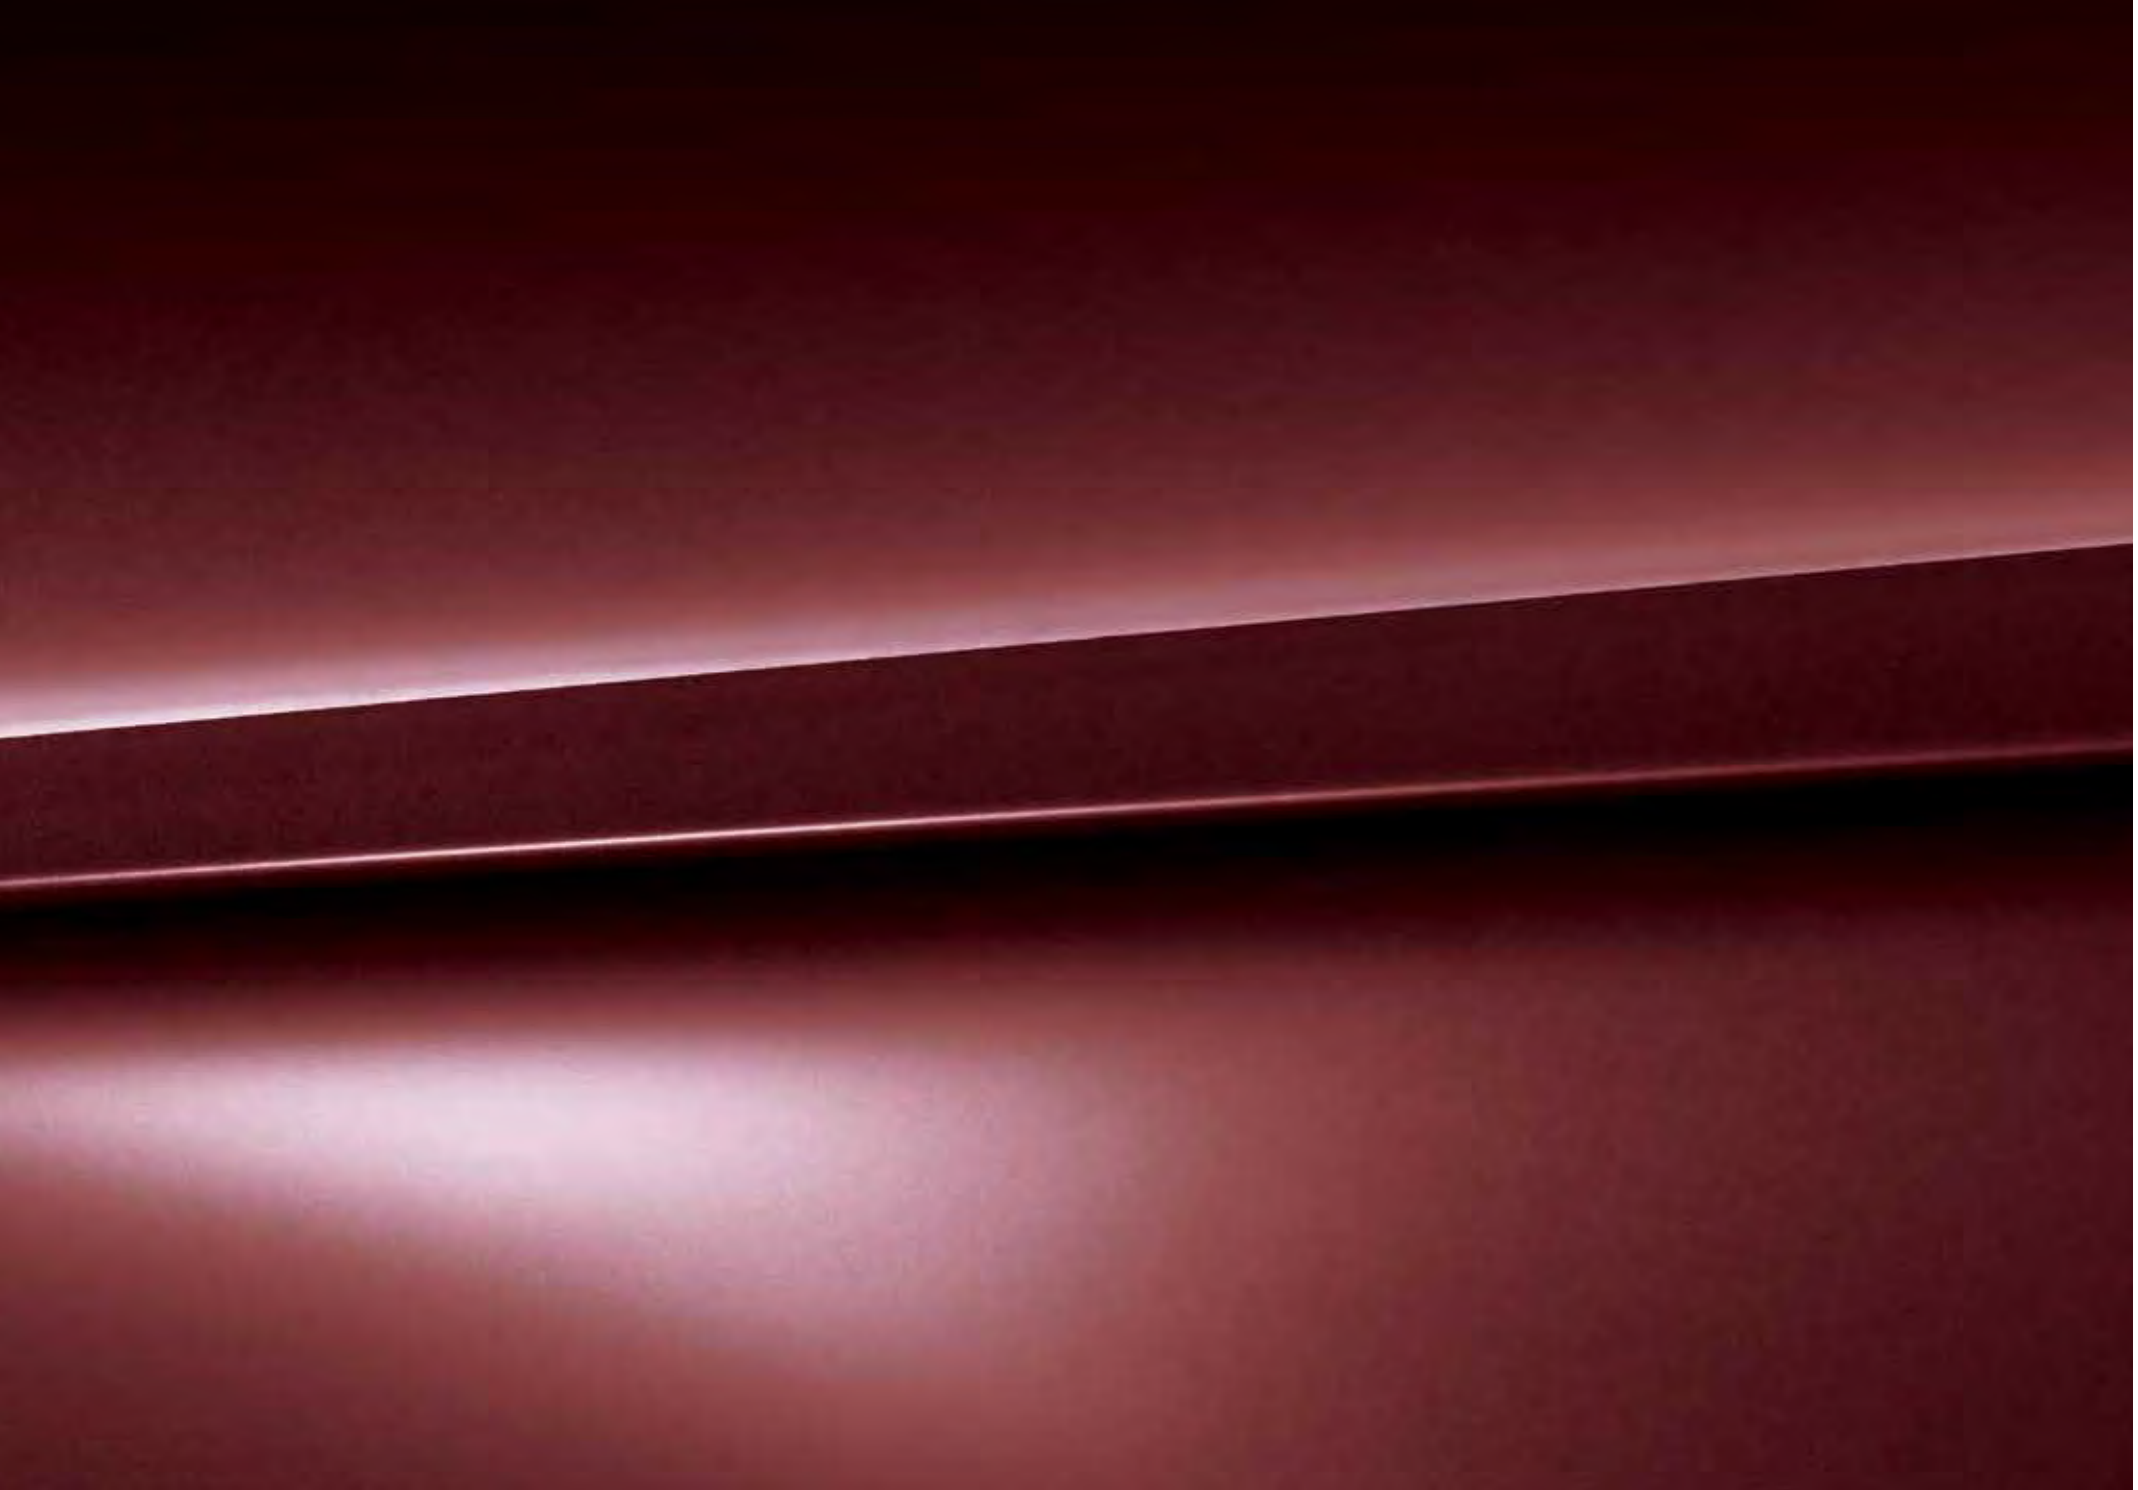
With experience over more than 20 years, our expert designers understand which elements work well together. From high-quality Fine Nappa leather seats to Audi exclusive door sill trims, every detail has been chosen to truly enhance your drive.



Paint choices

We believe that every part of your car should have a personal touch. Which is why you can choose from a wide range of paint colours and finishes, from standard shades to metallic and pearl effects. We can even mix a customised colour for you to create the perfect fit.



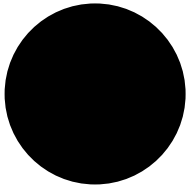


Paint

You can select one of the standard colours shown opposite or, for a different look, choose from a range of optional finishes.

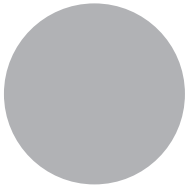
Standard colours

Ibis white – **T9**

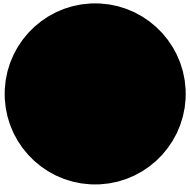


Brilliant black – **A2**

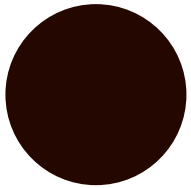
Optional colours



Ice silver, metallic – **P5**



Phantom black, pearl effect – **L8**



Teak brown, metallic* – **4U**

Glacier white, metallic – **2Y**

Upholstery

Audi exclusive

With Audi exclusive, you can specify your seats in Fine Nappa leather, Valcona leather or Valcona leather/ Alcantara in an array of different colours shown to the right.

Select just one all-over shade for each seat, or customise each panel in two or more complementary colours from the distinctive Audi exclusive palette. You can even choose the colour of the decorative stitching – to match or contrast with your chosen upholstery – from this varied collection. Whatever combination you decide upon, we think you'll be extremely comfortable with the result.

Also available:

Alcantara colours: available in all the Audi exclusive colours shown, except for Crimson red and Sand beige. Alcantara equivalents are Chilli red and Sesame beige respectively.

Please consult your Audi Centre for examples of Alcantara and carpet colours.

Options

Every driver has different needs, which is why we have created some useful options to further enhance your car. For extra comfort, support, style or function, you can choose from a variety of additional features, tailoring everything from your infotainment and audio equipment to your wheels and lighting.

Wheels, tyres and suspension

Choose a set of specially-selected alloy wheels to subtly enhance the way your car looks and drives. And you can also specify Audi drive select, which allows you to change suspension and steering settings according to your driving style.

19” x 8J ‘5-arm Star’ design alloy wheels – **PRV**

19” x 8J ‘5-arm’ design alloy wheels, partly polished – **PRL**

19” x 8J ‘5-arm off-road’ design alloy wheels – **PQ2**

20” x 8.5J ‘5-segment-spoke’ design alloy wheels – **PQ6**

20” x 8.5J ‘5-twin-spoke off-road’ design alloy wheels* – **PQ7**

20” x 8.5J ‘5-segment’ design alloy wheels in Titanium Optic finish – **PQK**

20” x 8.5J ‘7-double-spoke’ design alloy wheels* – **PQF**

20” x 8.5J ‘20-spoke’ design alloy wheels* – **PQS**

20” x 8.5J ‘5-arm’ design alloy wheels, partly polished – **PR1**

21” x 8.5J ‘5-twin-spoke Star’ design alloy wheels in titanium look with a high gloss finish* – **PQ8**

*Please note: this option includes a small extension to the wheel arches.

On S line trims the wheel arch is matt black, while on SE models it matches the colour of the contrasting bumpers.

PT5	**Mobile telephone preparation – Low with Bluetooth and voice control.** Provides handsfree connection via Bluetooth using mobile phone aerial. Alternatively, it can use a cradle with charging facility for optimal reception via external aerial located in front centre armrest (included). Cradle available at extra cost – please contact your Audi Centre for phone compatibility. Only in combination with a multi-function steering wheel	●	●	●	●	£145.83	£175.00
9ZW	**Mobile telephone preparation – High with Audi connect.** A mobile phone can be connected to the internal UMTS (3G) module via Bluetooth (provided the mobile telephone has SIM Access Profile[1]), or alternatively through the additional SIM card reader[2]. It is possible to transfer phone book entries to car and manage call lists. Audi connect features include: navigation using Google Earth images and Google Street View, destination entry via Google Maps or myAudi, online point of interest search and information services such as weather forecasts and the latest world news. Audi connect also includes Audi traffic information online, which gives accurate real-time forecasts of the traffic situation along the chosen route. The traffic situation can be displayed on the navigation map or Google Earth image. Audi connect can also create a Wi-Fi hotspot in the car for convenient Internet access using a mobile device (e.g. laptop or tablet)[3]. Many Audi connect features can be simply operated via the MMI Navigation Plus, the multi-function steering wheel or the voice control system. Only in combination with Technology package (WB7)	●	●	●	●	£291.67	£350.00
UF7	**Audi Music Interface (AMI).** Universal connection for use with stereo audio sources, USB and MP3 devices including Apple iPod generation 4 onwards (iPod, iPod classic, iPod mini, iPod nano, iPod photo, iPod video, iPod Touch). Provides intuitive control through the audio system and multi-function steering wheel (where fitted). It also replicates the iPod display on the audio screen and DIS, including track titles. The interface provides charging function (dependent on device). Includes2 cables to connect your iPod or USB MP3 device	●	●	S	●	£212.50	£255.00
7D1	**CD changer and DVD player.** 6-CD changer located in the glovebox and single CD/DVD slot in centre console. Only available with Technology package (WB7)	●	●	●	●	£304.17	£365.00
9WM	**Rear Seat Entertainment.** Includes two detachable DVD players/monitors fitted to the back of the front seats (supplied by Audi Genuine Accessories). The backs of the front seats are fitted with mountings and power connections. The system can be used outside the car with a rechargeable battery or mains power connection, which is included in the package. Includes individual remote controls and two sets of headphones	●	●	●	●	£875.00	£1,050.00

[1]To check the compatibility of your mobile phone and whether it has SIM Access Profile compatibility, please visit www.audi.co.uk/owners-area/phone-compatibility.html

[2]Please note that when a data SIM card is inserted into the SIM card reader, Bluetooth hands-free connectivity is disabled as the SIM card takes priority over the Bluetooth connection.

[3]Online services are only available for mobile phone contracts including a data option and only within the coverage of the mobile phone network; there may be additional costs for the use of these services (charges and billing correspond to the personal mobile phone contract). Due to high data volumes, a mobile phone contract including an unlimited data plan is strongly recommended. The content and scope of the online based services offered may vary.

Audi Complete

Audi Complete is simply a way to look after the servicing and maintenance costs for your Audi in a single package. You pay a one-off or monthly fee and we'll cover all your servicing, maintenance and tyres for the next three years, including your first MOT. It means you only have to pay for fuel, insurance and your Road Fund Licence. So you can be reassured that your car will be maintained by trained Audi Technicians, using genuine Audi parts.

*Retail customers only. Pricing based on 3 years/30,000 miles (whichever occurs sooner). All pricing is a 'starting from' price for the Audi Q5 model range and is therefore subject to change and is mileage/model dependent.

Order Code			Q5	SQ5	Basic RRP	Total RRP inc VAT

Off-road capabilities of the Audi Q5

The Audi Q5 excels both on the road and off it, thanks to its impressive all-terrain abilities. And these attributes are reinforced by special technologies, such as hill descent assist, ABS with automatic off-road detection and an Electronic Stability Programme that includes an off-road mode.

Hill descent assist

Available as standard in the Audi Q5, hill descent assist automatically maintains the speed set by the driver on steep descents and on any surface (up to 19mph). This makes negotiating descents far more straightforward and substantially enhances stability. Hill descent assist is activated and deactivated using a separate button.

ESP off-road mode

The Electronic Stability Programme in the Audi Q5 features a special off-road mode which can be controlled by a switch. This reprograms the ESP system, traction control and anti-lock braking system to adapt them to the driving conditions encountered in off-road terrain, such as sand, gravel or mud. This leads to good traction in all conditions, a more exciting drive and great handling even on unpredictable surfaces.

Merchandise

From the enthusiasts' motorsport collection to the sophisticated Audi collection, there's a wide variety of adults' and children's clothing, lifestyle accessories and collectables, all of which bear the Audi name.

Please speak to a member of our team at your local Audi Centre to see the full Audi collection and to place an order. A selection of Audi merchandise is also available to buy from **audi.co.uk/merchandise**.

Accessories

Choosing an Audi isn't just a matter of deciding on the model you want; it's about creating a car that suits your needs perfectly. That's why we've developed a whole range of accessories to enhance your Audi Q5, enabling you to customise it down to the last detail. Like your Audi, all these accessories are developed to the highest possible standards. They're all available exclusively from Audi.

To find out more, just visit **audi.co.uk/accessories** or contact your local Audi Centre.

Warranty

All the accessories available on the Audi Q5 are covered by a three-year warranty*, if they are ordered and included in the purchase price of the car at date of delivery. Any accessories ordered and installed after delivery include a two-year warranty.*

*Excluding Road Angel products. Audi Accessories warranty terms and conditions can be found at audi.co.uk

*Highest insurance group rating shown. Group may be lower dependent on trim level. Please visit www.thatcham.org/abigroupratings for details.

[1]The given value was obtained in accordance with the specified measurement procedure (the respective current version of the Directive 80/1269/EEC).

[2]Fuel consumption and CO_2 emissions figures are obtained under standardised test conditions (Directive 93/116/EEC) using a representative model. This allows direct comparison between different models from different manufacturers, but may not represent the actual fuel consumption achieved in 'real world' driving conditions. More information is available at www.vca.gov.uk.

[3]Vehicle's unladen weight without driver (calculated in accordance with the current version of Directive 80/1268/EEC). The fitting of additional equipment may increase the vehicle's unladen weight and drag coefficient, whereupon the potential carrying capacity and top speed will be correspondingly reduced.

[4]The engine's power output always goes down with increasing altitude. At 1,000m above sea level, and for every additional 1,000m, deduct 10% from the weight of the outfit (trailer load limit + gross weight of the towing vehicle).

Additional information

CO_2 data and information

CO_2 emissions-based Vehicle Excise Duty

Vehicle Excise Duty (Road Fund Licence) is based upon the amount of Carbon Dioxide (CO_2) a vehicle emits, measured in grams per kilometre (g/km). First year VED rates apply to the first year of ownership. Annual VED rates apply thereafter. The DVLA has created thirteen categories:

Petrol and Diesel engines	First year	Annual rate (second year onwards)
A – up to 100g/km	£0.00	£0.00
B – 101 to 110g/km	£0.00	£20.00

Servicing tailored to your needs

Regular servicing is key to safeguarding your Audi's performance and a full Audi service history could help you preserve the future re-sale value. To make servicing easy, the Audi Service Schedules have been designed to work with your individual driving style and vehicle.

There are two schedules available and your Audi Centre will advise which schedule is most suited to your needs. The conventional fixed Audi Inspection Service schedule has fixed intervals for the Oil-change and Inspection Service that are based on time and distance, whichever comes first.

With the Audi LongLife Service schedule, sensors take account of driving style and conditions in which the vehicle is used to indicate when the Oil-change Service is required. Oil-change Service intervals are therefore variable and are conveniently indicated via the on-board service interval display.

Audi Complete

When selecting the option of Audi Complete, your vehicle should be placed on the following service schedules, dependent on your mileage per annum:

- Under 10,000 miles per annum – Fixed Inspection Service Schedule
- Over 10,000 miles per annum – LongLife Service Schedule

Fixed Inspection Service Schedule

	Vehicle usage:
Mileage	Less than 10,000 miles per annum
Type of journey	Mainly city/town centre driving. Short journeys
Conditions	Frequent cold starts. High engine loading – e.g. frequent hill climbs, vehicle fully loaded, towing
Driving style	Uneconomical – e.g. heavy acceleration, heavy braking, constant changes in speed, constant use of high revs, 'sporty' driving

	Service Intervals:
Oil-change Service	Fixed to every 9,000* miles/1 year
Inspection Service	Fixed to every 19,000* miles/2 years

Variable LongLife Service Schedule

	Vehicle usage:
Mileage	More than 10,000 miles per annum
Type of journey	Motorway and main road driving. Mainly longer distance journeys. Constant speeds
Conditions	Normal engine loading – e.g. with little or no towing, with little or no hill climbs. Normal vehicle loading
Driving style	Moderate acceleration, moderate braking, engine revs mainly below 3,000

	Service Intervals:
Oil-change Service	Variable to a maximum of every 19,000* miles/2 years
Inspection Service	Fixed to every 19,000* miles/2 years

*As indicated by the service interval display. Mileages are approximate as the Service Indicator system uses kilometres as its distance measurement.

Additional information

Welcome to Audi

By placing an order for your Audi, you're choosing to get behind the wheel of one of the most sophisticated cars on the road. And because we believe the service we offer should be just as advanced, we wanted to let you know exactly what you can expect from us, now and in the future.

We've agreed a set of standards with all our Centres, which governs the way we do business with you. It outlines the kind of service we promise to deliver for every customer, right down to filling each new Audi we sell with half a tank of fuel.

So whether you're interested in the date your car will arrive in the UK or the way we'll dispose of non-biodegradable materials after we service your Audi, you can have total confidence in us.

Audi Promise

Audi Centres

We guarantee that all of our Centres will be open as follows:

Sales:	Monday to Friday 9am–6pm
	Saturday 9am–5pm
Service:	Monday to Friday 8am–6pm
	Saturday 8.30am–1pm

Sunday opening is at local discretion.

New car delivery

Once we've confirmed a delivery date for your car, we'll keep you informed of progress. Subject to reasonable notice, we'll then deliver it to a place of your choice, whether that's your home or place of work. In the unlikely event of a delay, we'll provide a courtesy car to minimise inconvenience and keep you mobile.

The experts in Vorsprung durch Technik

Would you entrust your Audi to anyone who hasn't been regularly trained to Audi standards? Our network of Audi Approved Master Technicians have undergone an impressive 100,000 hours of training over a 10-year programme to ensure they have the latest technical expertise for maintaining and servicing your Audi. All of our Service Advisors undergo a specialist induction and training to ensure they are Audi professionals and able to talk to you about any issues you may have with your Audi vehicle. What's more, we have so much expertise and experience in looking after Audi vehicles that we are able to make a note of your mileage and the state of your vehicle when we see it and predict when certain key events may occur. As part of our commitment to you, we will notify you in plenty of time so you can make an appointment with us.

Your convenience comes first

At Audi you can choose from a range of convenient services that suit your needs. Why not book a 'service while you wait' appointment* and enjoy our complimentary refreshments while your car is with us? Or, if you need to be mobile, take advantage of one of our courtesy cars which we can even collect and deliver to you.* We guarantee we can service your Audi within 5 days without a courtesy car, or within 10 days if you need transport. We will also ensure your car is returned to you with a full valet.

Audi Genuine Parts

Would you put a part into your Audi that wasn't the same quality as the factory fitted original? You can rest assured that only Audi Genuine Parts will be used on your vehicle. What's more, Audi parts and labour come with a 2-year guarantee.** We stock a wide variety of parts, so we are well covered. However, if we don't have a part in stock at our Centre we have the back-up of parts at other Audi Centres, at our national warehouse and our factory and can usually source the relevant part very quickly.

We don't like surprises either

We believe strongly in transparency and there will be no hidden costs. For added peace of mind, we will give you a quotation over the phone for the work you have requested and email you the price confirmation. We'll consult you if any additional work on your car is needed when it is with us. We won't carry out any extra work without asking your permission first.

The Audi Stamp

Regular servicing is key to safeguarding your Audi's performance and a full Audi service history could help you preserve the future re-sale value of your car. Only the Audi Stamp will prove your approved Audi service history.

Getting better every time

We continually gather feedback from our Audi Trained Technicians, as well as our customers, to ensure our vehicles are running as they should. Whenever we see an Audi for a service, we connect it directly to our headquarters in Ingolstadt which enables us to check your car's software and make sure it's as up-to-date as possible. If the factory has released a software upgrade for your model, it can be applied immediately – improving anything from your car's efficiency to the precision of its parking system.

Environmental commitment

We promise to dispose of all non-biodegradable materials from your vehicle in a responsible manner.

*Subject to availability.

**Excludes wear and tear.

Pricing information

Pricing

Prices and specifications given are correct at the time of printing. Always check details with your Audi Centre, as Audi policies are continually developing. We reserve the right to change prices or specifications at any time.

All prices are subject to VAT, currently charged at 20% but this may alter to reflect any change in the applicable VAT rate.

Delivery charges and number plates are not included in the vehicle price.

Delivery charge	£471.66
Number plate	£20.00
VAT	£98.34
Total	£590.00

Audi Roadside Assistance

Your new car comes complete with 3 years' complimentary roadside assistance and recovery across the UK provided by RAC Motoring Services. Also included is roadside assistance throughout Europe, managed by RAC Motoring Services.

For further information and terms and conditions please visit audi.co.uk

Audi Customer Care

Every new Audi benefits from the comprehensive Audi Customer Care Package, which comprises:

- A 3-year Audi warranty, which covers you for unlimited mileage in the first 2 years of ownership, with a full mechanical and electrical warranty which covers you for up to 60,000 miles in the 3rd year
- A 3-year paint warranty
- A 12-year anti-corrosion warranty
- 3 years' UK roadside assistance and recovery

You also have the option when ordering your new car of choosing a 4-year or 5-year Audi warranty. Speak to a member of the sales team for more information.

Audi Tax-Free Sales

If you are entitled to purchase a vehicle free of VAT, normally through Military or Diplomatic privilege, please contact your local Audi Centre for full details.

Should you have any difficulty obtaining the information you require, please call Freephone 0800 585878.

Audi Finance

Audi Finance specialise in providing funding solutions for Audi drivers. Whether your Audi is for private or business use, there is a range of funding options to choose from.

Below is the full range of finance products:

- Solutions – a Personal Contract Plan
